

Pre-Loved Uniforms

Maggie's Pre-Loved Clothing Guidelines

Only current regulation school and sports uniform items, in excellent condition, will be accepted for sale.

All blazers, gym frocks, skirts and tussorees must be dry cleaned with dry cleaning labels still attached. All other items must be washed and pressed.

Garments cannot be accepted if they –

- are in less than perfect condition
- are marked or stained
- have any holes, darning or obvious mending
- have broken zips or belt loops
- are missing any of the correct buttons
- are worn or faded
- are in need of repair or laundering

No swimsuits, socks or shoes will be accepted.

Any item which cannot be sold for any of the above reasons will be disposed of or where possible will be donated to a suitable charity.

If you are unsure of whether your garments are in saleable condition, we would be happy to advise you before they are dry-cleaned or mended.

The value of the sale, less commission and GST, will be credited to your nominated bank account.

All profits from Maggie's Shop goes back into the College, so any donation of good quality uniforms are very gratefully accepted.
