

2022 International Fees

International students need a student visa to study in New Zealand. The annual fees must be paid before the College can issue the documentation required for visa purposes. These fees are non-refundable.

Acceptance Fee

An acceptance fee of \$2,000 is required once a place is offered. This fee provides your daughter with the benefits of a lifetime membership of the St Margaret's College Old Girls' Association. If the student does not take up the place, no refund is payable.

ESOL:

ESOL tutoring is included in the tuition fee for international students.

Please note:

1. One term's written notice of intention to withdraw the student from the College is required and all fees incurred over the notice period must

be paid. Where no notice is given, a fee of one term's tuition and boarding fees will be charged in lieu of notice.

2. The Trust Board of the College meets each November to discuss any increases in the school fees for the following year. Information about fees for 2023 will be available from the Finance Office in early December.
