

## Mathematics Teacher Years 7 to 10 Full-time, Fixed term (parental leave) position

St Margaret's College offers a unique education for girls from Year 0 through to Year 13, both boarding and day girls. We offer students a dual academic pathway with NCEA and the International Baccalaureate Diploma and a strong emphasis on wellbeing and pastoral care as well as academic success. With a commitment to holistic education, balancing academic excellence with a multitude of co-curricular opportunities, St Margaret's College encourages students and staff to discover their passions and be the very best they can be.

### The Role

We are seeking an inspiring and enthusiastic teacher that is passionate about teaching Mathematics. We have a great team and maths faculty and are looking for an experienced educator to join the team to cover a period of parental leave.

If you have the dedication to the maths curriculum, we would love to hear from you. We are looking for someone to bring their best to work every day, demonstrating your ability to be inclusive, motivated and energetic in supporting our students to achieve their best.

Applicants must be able to start Term 3 2025, 14 July 2025 (optional earlier start date if available) until the end of Term 2 2026, 3 July 2026.

Demonstrated experience of teaching maths is required. Applicants must have knowledge of and experience with the New Zealand Curriculum. They must commit to the vision and values of the College and demonstrate a commitment to be part of a well-resourced and supportive environment with motivated students who are keen to learn.

A Position Description is available on our website:
